THE CLARIDGE

NAME HAS BEEN

SYNONYMOUS WITH

QUALITY, SERVICE

AND INNOVATION.

Our products can be found in gleaming new offices, prestigious colleges and universities, respected hospitals and schools across the country. Claridge offers a complete set of solutions for the new world of work – no matter what type of work you do.

From the workplace to the classroom, the emphasis today is on performance, productivity, and a pleasing environment. Claridge visual display products and accessories offer unmatched performance and high style. A state-of-the-art production facility enables our skilled team to control quality at every step in the process. In addition to offering a broad selection of standard colors, surfaces and finishes, we can custom-craft most products to perfectly suit any space or task. Let our friendly and knowledgeable customer service staff help you create exactly what you need.

Contemporary business operates at a lightning pace, so we maintain a wide variety of standard product lines in stock for fast shipping and delivery. For custom product orders, Claridge Priority Response and On-Time Shipping provide a firm ship date.

We also conduct a number of "green" initiatives—from in-house recycling programs to using renewable resources and alternative materials—to reduce our environmental footprint and minimize exposure to harmful substances. We listen and react to our customers' needs and concerns.

At Claridge, we work to earn your trust and satisfaction from start to finish. That's the way we do business — today and always.
