Custom Medical Patient Boards

The Xchange Graphic Markerboard is designed with versatility in mind because healthcare needs are dynamic and always evolving. This communication board features an interchangeable graphic insert that slides easily behind a clear, 1/4" tempered glass writing surface. Ideal for patient rooms, scheduling, performance reviews, and more.

- Rigid, lightweight easy-to-change custom graphic insert
- Swap out the custom graphic to update scene, seasonal images or messages
- Low profile aluminum trim top and bottom in black or white colors
