

390 Series

Recessed Display Case

Claridge®

Features:

- Super-heavy satin anodized aluminum frame; 4" face; corners mitered for rigidity
- Tackable back panels in Claridge Cork, Fabricork, Guilford of Maine Fabric, and Hook-Fab.
- 1/4" tempered glass sliding doors with lock and key – similar to patio doors.
- Three 6-, 8-, 10-, or 12-inch wide glass shelves with standards and brackets
- Dimensions given are overall, including trim
- Standard sizes are shown; cases can be constructed in virtually any size required
