

Standard Color Selections

Claridge Glass features an ultra clear writing surface that won't ghost or stain. An environmentally friendly process that offers 10 standard colors, 180 optional and unlimited custom colors for use on markerboards and walls.

- Works with standard dry-erase markers
- Doubles as a "tack" surface for use with magnetic accessories
- Resists humidity and fading
- SCS Indoor Advantage certified
- Eco-friendly, emits no VOCs

- Dry Erase markers can be wiped off using a standard eraser, microfiber eraser cloth or any dry cloth. Permanent markers may be removed using a standard glass cleaner.
- Periodic cleaning may be performed using glass cleaner. Avoid using abrasive type cleaners as they may dull or “pit” the surface of the glass.
- Always use a soft cloth, towel or microfiber cloth from Claridge to clean your Claridge Glass writing surface.
- Avoid cleaning glass if the surface is hot or in direct sunlight.
- Avoid leaving tape or other adhesives on your glass writing surface for long periods of time.

Recommended Accessories:

Dry Erase Cloth

Product Code ECM227E - each
ECM227D - 1 dozen

- 12”x12” Microfiber eraser cloth with a small magnet
- Erases cleanly with no smearing
- Reduces marker residue build-up

Magnetic Eraser

Product Code MGM-ME1

- Black felt eraser with strong rare earth magnets
- Measures 4-1/2” long, 2-1/8” wide and 7/8” thick
