

Horizontal Sliding System

Wall-Mounted Sliding Boards

Horizontal Sliding Units are custom-built to meet your needs, providing optimum display surfaces within easy reach for teaching, conferences, and training. The sliding panels and back panels can be Claridge LCS Porcelain dry erase markerboard or chalkboard. Also, Claridge Cork, Fabricork, Guilford of Maine FR701 Fabric, and Tan Nucork tackboard surfaces, along with projection screen, or COM fabrics can be applied to any of these panels.

- Claridge LCS Porcelain sliding panels and back panel
- Top-suspended sliding panels glide easily over an aluminum track on nylon rollers
- Magnetic surface
- Resists humidity and fading

Horizontal Sliding System
