LCS PORCELAIN Markerboard and Chalkboard Features

ENVIRONMENTAL FEATURES

- **SCS Indoor Advantage Certified**

SCS Indoor Advantage certifications are product certification programs for low emitting interior building materials, furnishings and finish systems. SCS Indoor Advantage certified products undergo rigorous testing and must meet stringent standards for low chemical emissions based on established health standards for use in environments such as schools and healthcare facilities.

- **Cradle-to-Cradle™ Bronze Certification**

Cradle-to-Cradle Certification focuses on the characteristics of sustainable materials, products, and systems. The process places emphasis on the human and ecological health impacts of a product's ingredients, and on the ability of that product to be recycled or composted.

Third-party environmental certification assures customers and end users that products selected support healthy indoor air quality and do not emit harmful chemicals. LCS is non-combustible, gives off no toxic gases and is 99.9% recyclable.
