When properly installed in a suitable environment and under normal intended usage, care and maintenance, including the use of proper markers, erasers and cleaners; Claridge Glass markerboard writing surfaces are guaranteed for the Life of the Building.

This warranty excludes, among other things, any and all damages resulting from earth movements or any other natural and/or man-made disasters. We do not recommend the use of abrasive cleaners on the glass surface as they may dull or “pit” the surface of the glass. Guarantee covers replacement of defective surfaces but does not include damage to the edge of the glass board, cost of removal or re-installation.

Under normal usage and maintenance, Claridge products are guaranteed for one year.

This guarantee covers repair or replacement of the manufactured parts that fail in materials or workmanship within the specified warranty period. Guarantee covers replacement of defective parts only and does not include cost of removal or re-installation.
