

LCS Elite Markerboard

INSTALLATION INSTRUCTIONS

Installation Instructions

1. Determine the desired top height for mounting the markerboard panels. Mark a line.
2. Measure down 4" from the top line and draw a level line for the top hanger.
3. Measure down from the top line the height of the panel. Make a small line. From there, measure up $\frac{3}{8}$ ". Mark a line for the position of the lower hanger.
4. Attach hanger using appropriate wall fasteners. Ensure hanger is mounted centered of board width.
5. Using a straight edge, shim where necessary so that all anchor points of hanger(s) are in line and level.
6. If multiple panels are to be installed in a "run", repeat steps above for hanging each additional panel.

WARNING

Risk of injury to installers and users
Read the entire assembly directions before beginning assembly.
