

EZ Fit Panel

LCS Porcelain Writing Surface

The most practical way to rejuvenate old markerboards and chalkboards. EZ Fit panels provide an option for resurfacing old boards. Designed to install over existing boards, there's no need to remove old boards.

Features:

- LCS Porcelain is made from enameling grade steel during a 3-coat process. After pre-cleaning a ground (primer) coat of porcelain is applied to the front and back of the steel; a color cover (finish) coat is applied to the face of the steel and is fusion bonded to the steel substrate.
- LCS Porcelain provides a premium markerboard with a low-gloss surface for easy writing and clean erasing
- Lifetime warranty
- LCS Porcelain writing surface is SCS Indoor Advantage certified
- Projection friendly with minimal "hot spot"
- E-Z Fit Panels are low gloss LCS Porcelain on a 1/4" core with moisture barrier back
- Trim face is approximately 1/2"
- Pre-drilled holes 2'0" on center; 1" self-tapping screws included
- Available in sizes up to 4' x 16'
