

# EZ Fit Panel

## LCS Porcelain Writing Surface

The most practical way to rejuvenate old markerboards and chalkboards. EZ Fit panels provide an option for resurfacing old boards. Designed to install over existing boards, there's no need to remove old boards.

### Features:

- LCS Porcelain is made from enameling grade steel during a 3-coat process. After pre-cleaning a ground (primer) coat of porcelain is applied to the front and back of the steel; a color cover (finish) coat is applied to the face of the steel and is fusion bonded to the steel substrate.
- LCS Porcelain provides a premium markerboard with a low-gloss surface for easy writing and clean erasing
- Lifetime warranty
- LCS Porcelain writing surface is SCS Indoor Advantage certified
- Projection friendly with minimal "hot spot"
- E-Z Fit Panels are low gloss LCS Porcelain on a 1/4" core with moisture barrier back
- Trim face is approximately 1/2"
- Pre-drilled holes 2'0" on center; 1" self-tapping screws included
- Available in sizes up to 4' x 16'

## EZ Fit LCS Panels

### INSTALLATION INSTRUCTIONS

---

#### Step 1

Measure portion of board to be covered - including trim. Measure from side to side and from top of trim to top of tray. (Some installations may require measuring inside trim and/or from bottom of rail to top of tray; shy by approx. 1/16" to 1/8").

#### Step 2

Clean surface of existing board. (Some installations - based on overall size - will require adhesive, either troweled with a 1/4" trowel or "gobbed" - depending on depth of old trim - onto the surface of existing board.)

#### Step 3

Position EZ Fit panel over existing board, resting on tray.

#### Step 4

Using the pre-drilled holes, drill through the existing board with a 9/64" drill bit. Fasten the board with the 1" Flat Head screws provided.

**WARNING**  
Risk of injury to installers and users  
Read the entire assembly directions before beginning assembly.

### Standard Color Selections

Select from the 3 standard porcelain or 3 chalkboard colors

#### LCS Porcelain Colors - use with markers

No. 100 White

No. 101 Light Gray

No. 102 Beige

#### Chalkboard Colors - use with chalk

No. 500 Green

No. 501 Black

No. 502 Gray

Claridge LCS Porcelain enamel steel markerboard and chalkboard writing surfaces offer unsurpassed durability and performance – a lifetime of performance.

An environmentally friendly process that offers a wide range of decorative and functional colors for use on porcelain markerboards and walls.

- Smooth writing and clean erasing
- Unmatched scratch and stain resistance
- 100% non-combustible surface
- Magnetic surface
- Projection-friendly low gloss LCS surface
- Life of the Building Guarantee
- LCS Porcelain surface is SCS Indoor Advantage Certified

*Colors are reproduced with reasonable accuracy, and are for color identification purposes only. If color is critical, contact us at 800-434-4610 to request an actual color sample.*

## LCS PORCELAIN Markerboard and Chalkboard Features

### ENVIRONMENTAL FEATURES

- **SCS Indoor Advantage Certified**

SCS Indoor Advantage certifications are product certification programs for low emitting interior building materials, furnishings and finish systems. SCS Indoor Advantage certified products undergo rigorous testing and must meet stringent standards for low chemical emissions based on established health standards for use in environments such as schools and healthcare facilities.

- **Cradle-to-Cradle™ Bronze Certification**

Cradle-to-Cradle Certification focuses on the characteristics of sustainable materials, products, and systems. The process places emphasis on the human and ecological health impacts of a product's ingredients, and on the ability of that product to be recycled or composted.

Third-party environmental certification assures customers and end users that products selected support healthy indoor air quality and do not emit harmful chemicals. LCS is non-combustible, gives off no toxic gases and is 99.9% recyclable.

### CLEANING INSTRUCTIONS

Claridge LCS Porcelain® enamel steel surfaces are guaranteed to withstand the rigors of everyday use. Proper use and maintenance will ensure performance and keep LCS Porcelain markerboards and chalkboards looking like new. Visit [claridgeproducts.com](http://claridgeproducts.com) for complete cleaning and maintenance instructions.

### WRITING SURFACE WARRANTY

Claridge LCS Porcelain enamel steel markerboard and chalkboard writing surfaces offer unsurpassed durability and performance – a lifetime of performance. We are so confident in the quality and dependability of our LCS Porcelain surfaces that we Guarantee it for the Life of the Building!

### SPECIFICATION

Claridge markerboard and chalkboard surfaces are manufactured in accordance with PEI-1002 Manual and Performance Specifications for LCS Porcelain Enamel Writing Surfaces. The writing surface is made from steel covered on both sides with enamel coatings. Fusion bonded to the steel, the resulting LCS Porcelain surface is smooth, durable and abrasion-resistant providing the best dry-erase surface available.

# POWDER COATINGS

## Color Guide

An environmentally friendly process that offers a wide range of decorative, functional colors for use on glass markerboards, walls, and metal frames.

### **BENEFITS OF POWDER COATING**

- More durable than baked enamels
- Delivers a brighter, smoother and cleaner finish
- Environmentally friendly, produces less hazardous waste than conventional liquid coatings
- Color choices are virtually unlimited with custom color matching

*Colors are reproduced with reasonable accuracy in standard Gloss finish unless noted Matte.  
If match is critical, contact us at 800-434-4610 for actual samples*
